Enagic: What to expect when you visit Ipoh, Perak?

by Jerry @ Nur Hafiz, Compliance Officer

Company visits are essential in building relationships with our existing customers or even prospective clients. Engaging the public actively inspires loyalty and repeat business. Enagic Malaysia has decided to get in touch with the people who matter to our business by making a visit to Ipoh, Perak on December 19th & 20th, 2019.

Sin Kong Meng's Owner Selects Enagic's LeveLuk SD501 for their Food & Beverages business.

Did you ever expect a local restaurant situated in Ipoh, Perak uses one of Enagic's LeveLuk Series; SD501 in their operating business? Sin Kong Meng Restaurant went there all right. If you haven't check out Sin Kong Meng Restaurant, now is the time! In today's restaurant industry, innovation and creativity is currency. Take Sin Kong Meng Restaurant for example.

Restaurant's owner; Mr Engine Chan has been in this industry for more than 10 years and they have never thought of incorporating LeveLuk SD501 as part of their daily business operation.

Operating a restaurant doesn't need to take hours and too much energy. Save time & energy with LeveLuk SD501!

"It has been seven (7) years since I have installed SD501 at my restaurant" said Mr Chan.

There has been significant improvements in business expenditures and his family health.

Most of Sin Kong Meng's guests are pleased with the taste of their local coffee. Mr Chan believes that Kangen Water® helps to enhance the flavour of the coffee and tea that he serves in his restaurant. Thus, attracting more visitors even outside from Ipoh.

When you consider to be part of Enagic family, you will start to wonder, "How can I make use of this machine fully?" It's easy! Mr Chan starts to prepare his dishes with Kangen Water® 9.5 everyday!

Mr Chan has been spending quite an amount on sanitizing products. With SD501, Mr Chan has successfully cut the spending and it is worth noting that Enagic's Strong Acidic Water (pH 2.5) and Strong Kangen Water (pH 11.5) are useful for their daily operation when it comes to sterilizing, sanitizing and cleaning their restaurant.

"Its all began when I've decided to put my trust on my friends, Mr Alex Wong's words. He (6A3 Rank Leader) has persuaded me to install LeveLuk SD501 at my restaurant and I have began loving the product!" said Mr Chan.

Without Mr Michael Saw and his wife, Madam Shirley Ong's (6A4 Rank Leader) support, he would not be in the position that he is now.

TRAINING; UKON & COMPLIANCE

On December 19th, 2019, Ms Aneline Song (Country Manager) and Ms Shermin Lam (Operation Manager) have conducted the UKON and Compliance Training (*mandarin language*) at Mr Alex Wong's Authorized Service Centre; Good Water Healing Concept. The crowd was big and we have received a positive feedback.

Enagic (Malaysia) Sdn Bhd has decided to provide full supports by providing these training as our ongoing commitment towards Ipoh's group. With the appearance of Mr Michael Saw and his wife, Ms Shirley Ong (6A4 Rank Leader), the event has managed to gathered big number of people to participate.

The UKON training is aimed to provide more awareness and knowledge towards the public in regards to the benefits of Enagic's health supplement product; UKON (turmeric based). UKON is categorized as a health supplement and it serves as a supplementary product which able to provide good maintenance in general.

Compliance training is aimed to provide exposure towards all Enagic family on the limitations that has been set by Enagic' Policies & Procedures. This training also serves as a guidelines towards all distributors and meant to educate distributors while protecting both; company and distributing while engaging Enagic's business.
