KUALA LUMPUR / 13th - 14th 2023

Used as a health supplement.

Kangen Ukon Sigma Softgels is a health supplement product that serves as a factor in maintenance in good health. Made from turmeric (Ukon), these softgels are enriched with essential nutrients and ingredients that support overall health and wellness.

It is sourced from turmeric, carefully cultivated for its natural health benefits. To ensure you can take Kangen Ukon Sigma Softgels with confidence, Enagic only uses quality turmeric powder.

Kangen Ukon Sigma Softgels are packed with 9 active ingredients, including turmeric powder, squalene, and fish oil, along with essential vitamins like B1, B2, B3, C, B9, and B12.

This blend is designed to support overall wellness, giving your body the nutrients it needs to thrive.

Kangen Ukon & Honey Soap is a natural soap by design, crafted using the traditional *frumo* blending method. This natural process blends the powerful benefits of turmeric, Okinawa lime, honey, and other natural ingredients to gently cleanse and deeply nourish the skin.

This gentle blend is suitable for full-body cleansing—including hands and face—thanks to its mild, non-irritating formula.

Kangen Ukon & Honey Soap is crafted with just 6 natural ingredients—free from mineral oils and synthetic additives—delivering a pure, high-quality soap with excellent cleansing power.

Helps to revitalize and nourish the skin, promoting a more youthful and healthier-looking skin.
