

KANGEN UKON & HONEY SOAP

All natural living soap made to
rejuvenate your skin!

ABOUT

Kangen Ukon & Honey Soap is natural soap by Enagic, crafted using traditional frame kneading method.

KANGEN UKON & HONEY SOAP

WHAT WE DO

This artisanal process blends the **powerful benefits of turmeric, Okinawa lime, honey** and **other natural ingredients** to gently cleanse and deeply nourish the skin.

NATURAL INGREDIENTS

9 **natural ingredients** - free from mineral oils, and synthetic activators.

Our turmeric is **specially grown in the rich, nutrient-dense soil of Okinawa, Japan**, where it's carefully cultivated by dedicated farmers in *a land abundant with natural minerals.*

SOURCE

KANGEN UKON & HONEY SOAP

OUR INGREDIENTS

Kangen Ukon & Honey Soap — beautifully
crafted using only **9 wholesome, natural
ingredients** for skin-loving goodness.

KANGEN UKON & HONEY SOAP

Tallow, Aqua, Cocos Nucifera (Coconut) Oil,
Sodium Hydroxide, Black Strap Powder, Honey,
Curcuma Longa (Turmeric) Root Oil, Citrus Depressa
Fruit Water, Simmondsia Chinensis (Jojoba) Seed Oil,
Melaleuca Alternifolia (Tea Tree) Leaf Oil.

Tallow is derived from animal source.

OUR INGREDIENTS

TALLOW

is derived from animal source.

Tallow has been used in soap-making for centuries as a sustainable, natural alternative to synthetic ingredients.

Tallow is rich in fatty acids similar to those found in human skin, helping to nourish and deeply hydrate without clogging pores.

WATER
also known as aqua.

It ensures that all ingredients, including honey or oils, are evenly distributed.

Water helps activate the soap when used, producing a rich, creamy lather that aids in cleansing.

COCONUT OIL

also known as Cocos Nucifera Oil.

Its natural antimicrobial properties help keep the skin clean and protected.

It effectively removes dirt, excess oil, and impurities without stripping the skin's natural moisture.

BLACK STRAP POWDER

It also contains excellent moisturizing components, which keep the skin hydrated and protect it from dryness.

Black Strap Powder is known for its richness in antioxidants and minerals.

HONEY

It is highly absorbent and moisturizes deeply into your skin.

Honey contains vitamins, minerals, and amino acids, all essential for beautiful skin.

TURMERIC ROOT OIL

also known as Curcuma Longa
Root Oil.

Helps soothe irritated skin,
making it ideal for sensitive
or acne-prone skin.

Curcuma Longa (Turmeric)
Root Oil contains vitamins,
minerals and is rich in
curcumin, which is great
for healthy looking skin.

CITRUS DEPRESSA FRUIT WATER

Assists in gently removing
impurities while
maintaining the skin's
moisture balance.

It contains a variety of
nutrients effective for beautiful
skin, such as vitamin C, B1,
Carotene, and a range of other
beneficial minerals.

JOJOBA SEED OIL

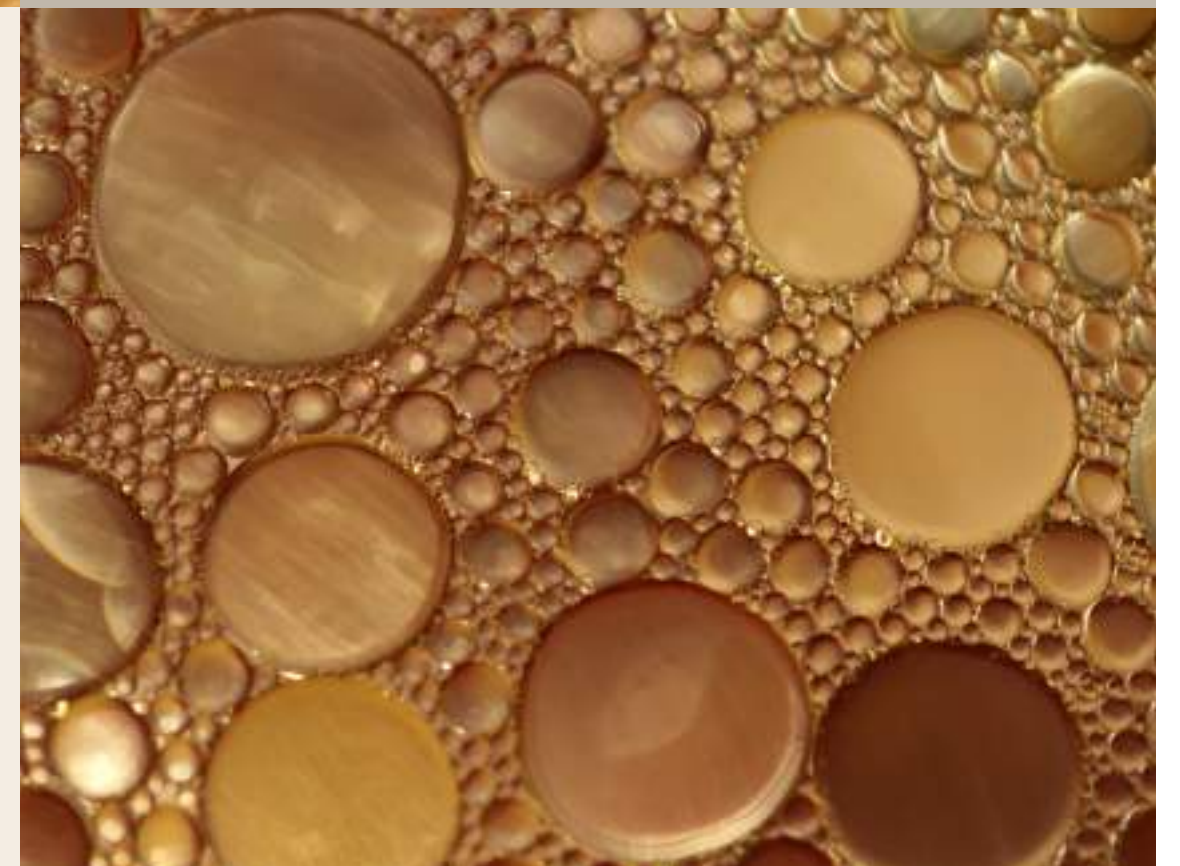

also known as Simmondsia
Chinensis Seed Oil.

It helps to moisturize skin
without clogging pores and
contains vitamin E and
antioxidants.

It is lightweight, non-
comedogenic, and suitable
for all skin types.

TEA TREE LEAF OIL

also known as Melaleuca
Alternifolia Leaf Oil.

It is great for oily or acne-prone skin but gentle enough for daily use.

It is a popular natural ingredients known for its antimicrobial property.

KANGEN UKON & HONEY SOAP

BENEFITS

- Helps to revitalize and nourish the skin, promoting a more youthful and healthier looking skin.
- This gentle blend is suitable for full-body cleansing-including hands and face-thanks to its mild, non-irritating formula.
- Formulated with just 9 natural ingredients, this soap offers a pure, high-quality cleanse that's gentle on the skin yet powerfully effective.

It can be used for
whole-body cleaning.
After lathering with your hands or
a towel, rinse thoroughly with
cool or hot water.

DIRECTION OF USE

KANGEN UKON & HONEY SOAP

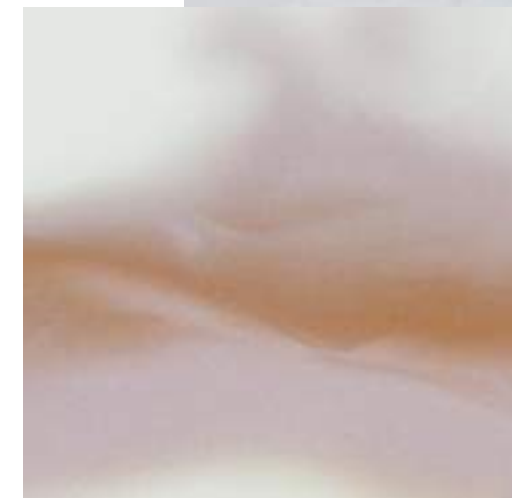

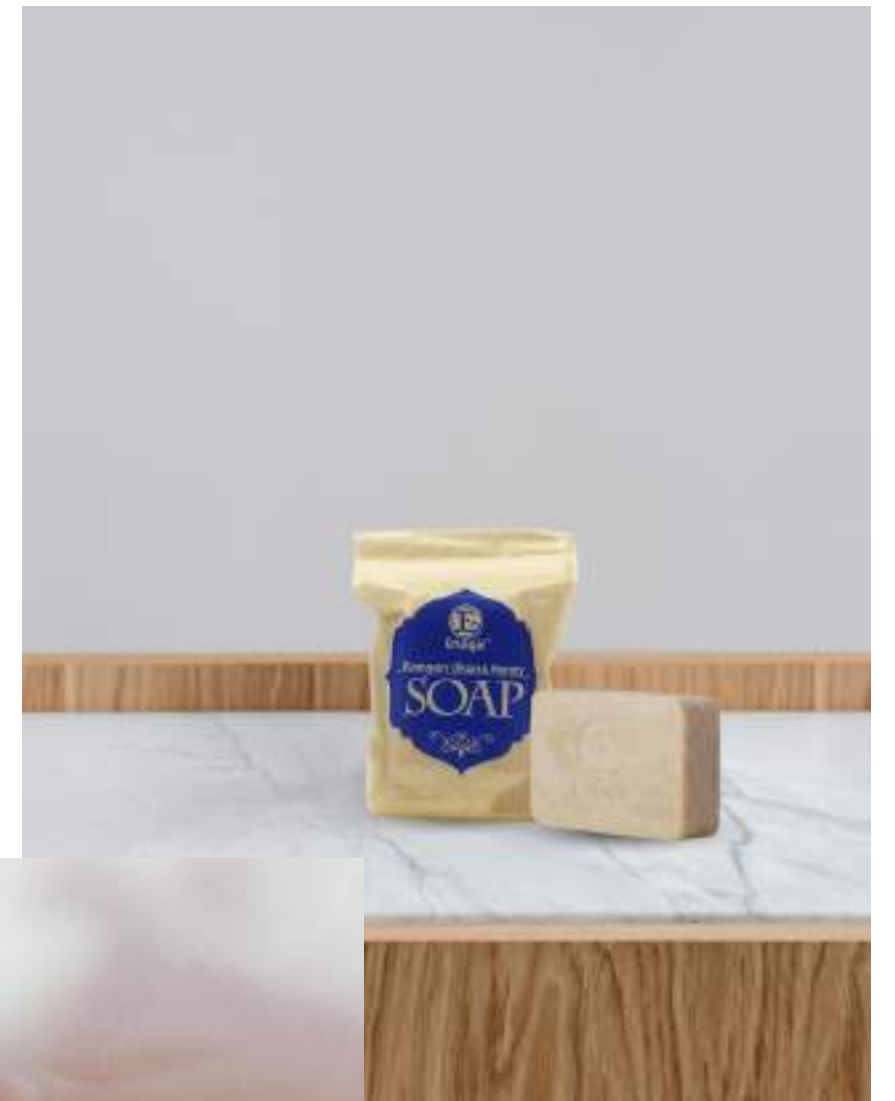

Discontinue use if any changes in
skin condition occur or if skin
redness or irritation develops.
If the product gets into the eyes,
rinse immediately.
